## **Mt Marion Lithium Operation Update**

### **Ganfeng Announcement**

Neometals Ltd (“Neometals”) has become aware that Ganfeng Lithium Co., Ltd (“GFL”) late Friday the 16<sup>th</sup> June issued an announcement updating the market of the excellent performance of Mt Marion concentrates in their production of battery quality lithium carbonate and hydroxide, and the volumes of product shipped to date and guidance for the month of June.

For the avoidance of doubt, Neometals confirms the Mt Marion operations have shipped a total of 79,000t of concentrates from February to the end of May, including 30,055t in May (majority 6% Li<sub>2</sub>O). A shipment of 35,000t of similar quality is expected to depart on or about 27 June with another 15,000t expected the first week of July.
